

This past month, we have been taking lots of opportunities to enjoy some really beautiful fall weather. Students have been enjoying walks and taking advantage of the Frisbee golf course beside the school. We definitely hope that winter takes its time coming to us! In addition to the outside time, students have transitioned back into their educational programs and we are enjoying seeing how they've grown.

I would like to thank our families for supporting CESD's Re-entry plan. We really appreciate your diligence in completing the self-assessments every morning and for keeping students home when they are not feeling well. There is one more step that would be really helpful for us: Because our staff are all following the same precautions around staying home if they are feeling unwell, we are working daily to make staffing adjustments within our building. An important step in this process for us is knowing as soon as possible if any students are absent. Please call the school as soon as you know that your child will not be attending or will be arriving late at 403-556-6310.

Thank you for your continued support.

The Horizon Parent Society held their first meeting of the season on September 23. The annual general meeting will be held on Thursday, October 15th at 9:15 am. This next meeting will be a remote Google meet so if you are interested in attending please call the office and we will get you set up. We welcome everyone to come and join us!

Our start up staff meeting looked a lot different this year as we kept a safe distance. We were all so excited to be back that the masks and distancing didn't matter at all!

The first day back with all of our students was so exciting! Thanks to our bus drivers who are working hard to keep the buses sanitized and safe for our students!

Students are busy both in the classroom and out of doors.

Everyone wants to enjoy the great fall weather while it lasts.

And we did some grounds clean up as well, thanks to Dawson for helping to tidy up leaves and branches!

Believing in every student

A Message from the Board of Trustees

We are so excited to welcome our students and staff back to school! Our Central Office team, school administrators and many other staff have worked hard to take care of many details around safety protocols, so that our students can enter into this school year full of enthusiasm. Our staff are going out of their way to deliver a world of opportunity to our students.

Schools in Chinook's Edge have been required to modify some routines, and safety is on our minds more than ever. Be assured your child will be well looked after. Our schools are prepared, our teachers and staff are keen, and our students can now embark on an exciting year with confidence. We are looking forward to engaging every student in meaningful learning so they can achieve higher levels of success throughout their lifetime. On behalf of the entire Board and Central Office team, we wish everyone a fantastic year in Chinook's Edge, *where students come first!*
